

L-677 ILLUMINATED MAGNIFIER

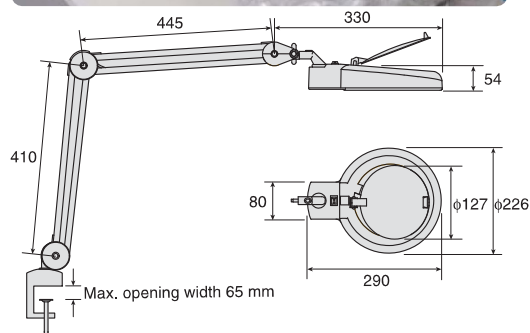

100 V

A Multi-purpose magnifier with flexible arm and ring lamp that offers high-quality at a low price.

- Inverter lamp lights up quickly and is flicker-free.
- High-quality, large diameter white lens provides bright crisp images (magnification: 2×).
- Flexible arm can be set as desired, leaving plenty of working space around your hands. Springs are housed inside the arm to create a simple and slim design.
- Equipped with a lens dust / protective cover.
